**Reference letter:**

Reference full name:

**Pat Hoyt**

Reference relationship &amp; length:

**I worked with Morris; 1 1/2 years**

Reference company:

**Sea-Bird Scientific**

Reference contact information:

[pat.hoyt@gmail.com](mailto:pat.hoyt@gmail.com)

Reference letter:

**I worked with Morris on the software team at Sea-Bird Scientific. He was able to join a complex software project and start contributing in short order. He proved to be very versatile working on various parts of the project including coding, managing the testing, and improving the build process. During this process he showed initiative by independently solving problems without guidance. He demonstrated his ability to be a team member by being helpful and contributing at**

**team meetings. He also followed through on commitments he made. He picked up new concepts faster than most people that I've worked with. I would be happy to work with him again on any project.**
